This is a pdf of Four Star Nena Book 4 that reader can be grabbed this by your self on www.tdo5.org. Amazon.com: Customer reviews: Four Star (Nena Book 4) Four Star is another of Bell's books about a male with a female persona that is more interesting and exciting than the character's male persona. The story has little of the scarier issues of gender transition, but deals well with many of the simpler perceptions of the general public of how both males and females are dealt with in the work place.
