At the first rehearsal, the producer had said to her, tactfully You can't make much of your lines. And if you could, the psychology of the comedy would be upset. Try to play naturally, without emphasis, without gesture.

Four-dimensional space - Wikipedia A four-dimensional space or 4D space is a mathematical extension of the concept of three-dimensional or 3D space. Three-dimensional space is the simplest possible generalization of the observation that one only needs three numbers, called dimensions , to describe the sizes or locations of objects in the everyday world.
